

This garment is intended to have 1-2 inches (2-5 cm) of negative ease, meaning your own measurements should be LARGER than these measurements by that much. (Except for measurement D, which should have 1-3 inches of positive ease.)

These measurements are for the completed garment, after it is sewn using a 1/2 inch seam allowance.

A. Hips (just below navel)

(28 1/4, 30 1/4, 32 1/2, 34 1/2, 36 3/4, 38 3/4, 40 3/4, 43, 45, 47 1/4) inches
